

YOUNG BRIDEGROOM IN JAIL.

James Carr Charged with Robbing Frederick Loeser & Co.

Carpet from a Storehouse Found in His Rooms.

By the arrest of James Carr, a young bridegroom employed in the storehouse of N. C. Terrell & Son, 446 Hudson avenue, Brooklyn, the fact leaked out this morning that the well-known dry-goods firm of Frederick Loeser & Co. had been robbed of a large quantity of goods, the value of which is estimated at \$2,000.

Carr was arrested by Justice Walsh in the Adams Street Police Court this morning on a technical charge of stealing a roll of carpet belonging to the firm. He pleaded not guilty and was remanded for examination.

Carr has been in Terrell's employ for nearly a year. Last Spring his employer missed a lap robe and upon investigating the matter secured evidence on which he caused Carr's arrest. Carr promised to reform and Terrell withdrew the charge and took him back into his employ.

Early in May Loeser & Co. removed several thousand dollars' worth of goods from their store and placed them in Terrell's warehouse for the summer. About a week ago they began removing the goods in storage, and discovered that a roll of Axminster carpet had been stolen.

Further investigation revealed the fact that a large amount of valuable stock had also disappeared. The matter was reported to the police, and Capt. Campbell detailed Detective Parrott to work upon the case. The stolen property consisted of silks, velvets, matting and carpet.

Parrott suspected Carr. Carr was married two months ago, and began house-keeping in apartments at 67 Columbia place.

The detective yesterday succeeded in gaining admission into the young couple's apartments and found the stolen carpet lying on the floor ready to be laid. Carr was thereupon arrested.

On the way to the station-house he declared that his mother-in-law had bought the carpet and presented it to his wife. The officers visited Mrs. Carr, who told the same story at first, but afterwards she said that the carpet had been left at the house in a wagon. She did not know where it came from.

The police have been unable to trace the rest of the missing property. They have no proof that Carr stole all the missing goods. There may have been others implicated in the theft.

KILLED BY A SCAFFOLD'S FALL.

Murray Dropped Twelve Feet and Died Instantly.

John Murray, twenty-five years old, of 79 Division street, was instantly killed at 12:15 this morning while working on a scaffold at Vanhorn, Griffin & Co.'s glass house, at 18 Duane street.

The scaffold fell twelve feet and threw Murray against a pile of boxes. Andrew Kelly, twenty-five years old, of 559 Palisade avenue, Jersey City, received a severe head wound, which was fatal. Another workman named Dennis O'Reilly, who was on the scaffold, was not injured. The men were painting the ceiling and were obliged to do the work outside of business hours.

Murray, it is stated, had a paralytic stroke some time ago. It is thought the shock killed him. There were no marks on his body. The coroner will hold an inquest.

John Smith, colored, of 11 West Twenty-second street, is looking for her son, John, seventeen years old, who disappeared about five weeks ago. He was employed as a bellboy at the Clarion Hotel, Brooklyn. The hotel people say he left there without warning, and they know nothing of his whereabouts.

DINKY EXECUTED TO-DAY.

He Bit Maggie Gannon and Almost Escaped the Law.

Little Willie Gannon, fourteen years old, of 265 East Seventy-seventh street, today mourns the loss of his pet bull-terrier, Dinky.

About two weeks ago the terror bit nine-year-old Maggie Gannon, 724 East Seventy-seventh street. Ever since then Willie has been dishing summonses and warrants and orders to have the dog wiped off the planet.

He refused to come to court when Maggie's mother summoned him, and only a warrant and the strong right arm of Court Officer Van brought him before Justice Burke.

The boy was ordered to have the dog killed, which he will do, and he was released. Little Willie, however, pointed Dinky into the hands of the police, and the dog was shot and killed in the street.

Little Willie was released on condition that he should give the court that the dog's execution took place to the satisfaction of Mrs. Gannon.

FOUGHT OVER A CIGARETTE.

McCoy and Lesman Grappled and Rolled Off the Car.

Two young men were arrested in the afternoon Market Police Court this morning. They were arrested at 8:30 o'clock last night by Park Police Officer Brennan, while fighting like demons in South Washington Square.

They had fallen from a balcony street car, and were fighting on the ground. They were taken to the station-house and released.

Further investigation revealed the fact that a large amount of valuable stock had also disappeared. The matter was reported to the police, and Capt. Campbell detailed Detective Parrott to work upon the case. The stolen property consisted of silks, velvets, matting and carpet.

WORLD'S FAIR IN A STORM.

Crowds Drunched and Buildings and Exhibits Damaged.

CHICAGO, Sept. 22.—A tremendous wind and rain storm struck Jackson Park last night. Portions of the roofs of the Manufacture Building and Art Gallery were blown in, and a section of the movable sidewalk rolled off. Some valuable exhibits were damaged.

Just before the storm crowds had gathered about the Court of Honor to see the electric fountains play. At 6:15 o'clock came a terrific flash of lightning and a peal of thunder, and almost instantly a solid sheet of water driven as by a gale, struck the people. It was as sudden and overwhelming as any of the storms that damaged the Exposition during March and April.

AUTUMN HATS DISPLAYED.

Extensive Stock at Hill & Co.'s, 250 and 261 Sixth Avenue.

Although times may be hard, Hill & Co., of 250 and 261 Sixth Avenue, seem to have decided that women will wear just as pretty hats and buy as many as ever before, for seldom have there been such fine displays as at the opening of this year.

Many women are apparently undisturbed by the fact that autumn styles are, and after having read Hill & Co.'s announcement that their opening display of Fall millinery and millinery novelties would be on the last three days of this week, many of the most fashionable visited the popular house to at least learn what the styles for the season will be.

It was noticed, too, that many were making early purchases, and all expressed satisfaction with the extensive stock from which to make selections.

NEW JERSEY.

WAS MRS. BAILEY MURDERED?

Found Dead in the Woods with Her Throat Cut.

No Reason Known Why She Should Have Killed Herself.

BRIDGEPORT, N. J., Sept. 22.—The dead body of Mrs. Bailey was found in the woods near Haledown this morning. Her throat was cut from ear to ear. A bloody razor was beside her.

Mrs. Bailey was a widow and well known. As there was no known cause why she should commit suicide, the authorities believe she was murdered. An investigation is being made.

Mrs. Bailey yesterday visited her married daughter in Haledown. Early last evening she started to return to her home. As she had often walked the distance alone, she was not accompanied by any one.

As she did not reach home her family became alarmed and searched for her during the night. This morning her daughter, whom she visited yesterday, discovered her dead body in the woods.

Mrs. Bailey was not known to carry a razor, and where it came from is a mystery.

NO PAWNSHOP IN PATERSON.

Novel Excuse of Suspicious Character in Jersey City.

Just before daylight this morning Policeman Volkmann of Jersey City arrested a man and three boys, carrying bundles, as suspicious characters.

At the station-house the prisoners described themselves as Alfred Bonwell, aged forty-four years, George Miller, sixteen, William Shering, fifteen, and James Miller, sixteen.

Bonwell had a light-colored woman's apparel, which he said his wife had given to him to pawn in Jersey City, as there were no pawn shops in Pateron. The boy, Miller, had in his bundle a new coat and vest, which he also was going to pawn in Jersey City. He was armed with a leather belt. The other two boys had nothing about them worth pawning.

The prisoners were this morning arraigned before Justice Robinson in the Second Criminal Court, and were remanded for investigation.

SPAIN'S QUARANTINE OF JERSEY.

Attache of the Spanish Legation Gives an Explanation.

The attache of the office of the Spanish Consul in this city were indignant today over the address criticisms passed on their action in notifying the Home Government that cholera was prevalent in Jersey City. As a result the Spanish Government has declared quarantine against that city.

Consul General Baldano was not in his office this morning, but his representative vigorously repudiated his action.

"It is our duty," said the attache, "to keep our Government advised. When cholera was officially declared to be in Jersey City we could not but do so. We waited twenty days, and when the disease was declared to have disappeared, we again called our Government."

VERSATILE BURGLARS CAUGHT.

They Had Operated in Brooklyn and Jersey City.

John and Charles Smith, who claim to be brothers, were arrested last night as they were leaving the house of A. J. Bramman, at 180 Whinton street, Jersey City, where they had stolen \$100 worth of goods, which they had in their possession.

When searched at Police Headquarters they admitted that they had stolen the goods from Bramman. They were taken to the station-house and released.

Probable Fatal Fall. May Falls, thirty-five years of age, of Jersey City, fell downstairs last night and sustained serious injuries, causing concussion of the brain. It is thought she will die.

ROSECRANS ELECTED PRESIDENT.

Harrison for Orator of the Society of the Army of the Cumberland.

CHICAGO, N. J., Sept. 22.—The Society of the Army of the Cumberland held a brief session yesterday in Army and Navy Hall. The following officers were elected:

President, Gen. W. H. Harrison. Corresponding Secretary, Gen. H. B. Hutton. Recording Secretary, Col. J. W. Stearns. Treasurer, Gen. J. F. Patterson.

Ex-President Harrison was chosen orator for the next meeting.

SUING FOR \$12,000 DAMAGES.

Mr. Pichot Wants Pay for False Imprisonment and Assault.

August F. Pichot, a Frenchman, fifty-eight years old, of 159 Ninth avenue, has brought suit in the Supreme and City courts against Ernest Girard, a wine dealer of the same address. In the Supreme Court he asks \$12,000 damages for false imprisonment, and in the City Court he asks \$2,000 for assault and battery. Maurice Meyer, of the Pulitzer Building, is his counsel.

On Sept. 13 Pichot was tried and acquitted before Judge Cowing, in the Court of General Sessions, on a charge of burglary. Girard alleged that Pichot entered his store Aug. 13 and stole from the money drawer \$5 cents.

Pichot, in his complaining affidavit, says that he was violently assaulted by Girard, and his arrest and imprisonment were purely vindictive.

SENATORS TRY A PUZZLE.

The "Gold and Silver" Affair Put Into Fractional Use by Them.

One of the latest novelties now to be seen on the streets, and, in fact, in almost every house is an ingenious contrivance known as the "Gold and Silver Puzzle." A quantity of round blocks are arranged in a box. Some are painted yellow to represent gold and an equal quantity in natural wood acts the representative of the baser metal. The blocks are arranged in circles, crossing each other at stated points. The object of the puzzle is by so manipulating the various "congressmen" at Washington, and their replies indicate that the grave and reverend seigniors have paused from their labors long enough to daily with the toy for a while. Among those who wrote to the proprietors praising the ingenious affair are Congressman Jerry Simpson, Senator McPherson, Senator Lodge, W. A. Puffer, Amos J. Cummings, Charles F. Manderson, John H. Mitchell and Charles Daniels.
